NETWORK
PRODUCT

SECURITY

M/E Infrastructure Product

Tower & Pole

- Guy-wired & Monopole
Applicable for microcell, ISP POP

Power System

- **UPS 10-100 KVA**
State of the art power protection to meet requirements from Data Center to Industrial application
Product Option : Schneider, Eaton, Emerson
- **Rectifier 1500–9000 Watt**
Product Option : Exicom, Eltek

Photovoltaic Solution

- **Street light**
Applicable for rural area when lighting is limited, PV Solutions can fulfill the demand
- **Hazard Light**
Static precaution sign by light for rural area which has unreliable grid supply

Fire Suppression System

- **Nergen System** Protect enclosed area where people may be present and where damage from conventional agent cannot be tolerated

Fleet Management System

GPS Tracking

Integration of intelligence GPS Tracking product with UHF/VHF or Cellular based communication, to provide economical solutions anywhere in the world.

Product Option : Ces Wireless

Fleet Management Dashboard

Web-based application programming interface with software module in supporting GPS Tracking and fleet management system

Product Option : FleetWeb

GPS Base Modem CES WIRELESS

Ip66 GPS Module Unit CES WIRELESS

IT Cloud Application

- **IT Service Management**
Comprehensive management system over all connected network, IT Policy, and helpdesk system
- **Smart Event Management**
Web-based, Android-based, iOS- based application for managing various types of events which includes AAA process

Model & Specification

Network standard

WCDMA/GSM

Working frequency

GSM850/EGSM900/DCSI800/PCS1900
WCDMA:900/2100MHz;850/1900MHz;
850/2100MHz

Transmit power

GSM, EGSM(33±1dBm)
DCS, PCS(30±1dBm)
WCDMA (23±1d8m)

Antenna

Built-in GPS antenna, External whip antenna

Receiving sensitivity

-106dBm

Call delay

< 0.6-1.2 second

Audio output power

>1W

GPS Positioning

<20 Meters

Battery parameters

DC 3.7V 4400mAh/5200mAh

Charging method

Charging, USB charging

Platform version

V3.0 Version

Size : H * W * O

130mm *55mm*38mm (No including antenna)

Weight

300g (Including antenna, wallet)

Features

Ip67 # Ip56

SIM Card

Nano SIM
